REMS 5.4

OVERVIEW

This document provides information on the enhancements included in REMS Release 5.4. The enhancements reflect the changes made to the screens or changes in system functionality.

The **Modification** section will display corrections identified from a previous release(s). These are not functionality or feature changes; they are enhancements or corrections to system performance.

The **Database Changes not related to Current Release** section will display items added to the database between releases.

Property Selection

→ CA site Drop-down list

The system will limit the display of CA sites to only those that the user is assigned.

Project Actions

→ Project Actions List Table

A new column “*Related Referral ID*” has been added to the Project Action List table.

Section 8 Renewals

→ Short Term Renewal Detail

The ***Length of Short-term Renewal (Months)*** field has been limited to 12 months or less. If a user enters 12 months as the term, the following dialog box displays. This is a warning message and will allow the user to select 12 months.

If the user enters more than 12 months the following dialog box displays. This is an error message and the user will not be allowed to continue with the short-term renewal.

→ Option 1b Renewal Detail

If "Yes" is selected for the, *Has owner met criteria to request increase above the cap on comparable rents of 150% of FMR?* field; the system will now take the percentage greater than 150% and use it in the calculation instead of capping it at 150%.

A screenshot of a web form titled "FY 2004 - 1b: Discretionary Authority Eligibility Mark-Up-To-Market". The form includes a "Go To Printable Page" link, "Save", "Reset", and "Back" buttons. It displays "Contract #: VA36Q991005" and "Stage: N/A". The "Renewal Type:" dropdown is set to "Initial Renewal". The "Renewal Contract:" dropdown is set to "Mark-Up-To-Market Renewal Contract". Under "Criteria the property meets in order to qualify for Option 1b:", there are three rows: "Vulnerable Populations", "Vacancy Rates", and "Community Support", each with radio buttons for "Yes", "No", and "Unconfirmed". A callout box labeled "New Field" points to a new field: "Has owner met criteria to request increase above the cap on comparable rents of 150% of FMR?" with radio buttons for "Yes", "No", and "Unconfirmed".

→ Option 2 and 4 Renewal Detail

Homeownership & Economic Opportunity Act has been added as a selection to the *Exception Project Exempted From OMHAR* drop-down list.

→ Option 3 Renewal Detail

A new field, *Date of owner 120-day notification to tenants to not restructure*, has been added to the **Option 3 Referral Detail** screen. If an owner elects to go to OMHAR for a debt restructure and the owner does NOT restructure he is required to notify the tenant.

MODIFICATION

Section 8 Renewals

→Budget Based Rent Calculation

The rounding on the budget-based rents input calculation and the budget-based rent in the rent table have been corrected. Both numbers will calculate the same.

→Comp Study for Closed Renewals

A closed renewal will accurately reflect its association to a comparability study.

→Comp Study Execution Date of First Related Renewal

If the renewal was completed in REMS, the ***Execution Date of First Related Renewal*** column on the **Comparability Study** table will be populated with the actual ***Execution Date of the First Related Renewal***. If the renewal was completed outside of REMS, the ***Execution Date of First Related Renewal*** column will be populated with the ***Date Approved/Accepted by HUD***.

→Assistance Contract Detail

→PBCA Assignment

Contracts are assigned and/or withdrawn from a PBCA's portfolio each month. Each contract has an effective assignment/withdrawn date to that PBCA. When the date the contract is assigned to the PBCA is a future date, the PBCA cannot access the property/contract via REMS. When the effective date becomes current, the PBCA will be able to access the property/contract via REMS. When the effective date becomes current, the PBCA will be able to access REMS. .

→**Assistance Contract Detail**

→**REMS Rent Adjustments**

The *Rent Adjustment Effective Date* is not limited to the current Fiscal year.

Occupancy Screen

→**Contract Status**

The *Contract Status* column in the contract table, will now display the current TRACS status.

Event Notification

→**New Event Message**

The events notification "new events message" will no longer display after all events have been deleted.

Database Changes not related to Current Release

Section 8 Renewals

→**OCAF Adjustment data**

The **FY 2005 OCAF** values have been added in the REMS database.
